

SPORTS

WEDAY AND KENNARD

Both the Boxers Work Hard for Form.

Judging from the bouts with which Kennard amuses himself in the gymnasium, there will be an exhibition of more than usual merit when the "Kid" meets Weday, the hero of several boxing contests here.

Both the candidates for the purse are working hard. Weday, sticking to his former practice, working at Long Branch, where he has the advantage of having soldiers to go against whenever he wishes to put on the gloves at all. Weday is in fine condition as he has not been allowed to get far off since his first battle. He is keeping strictly in training and should come to the scratch in good shape.

Kennard has a lot of work to do each day, and he is thus keeping himself hard. He boxes with a score of persons getting fast work if not hard blows, and will need only a few days of heavy training to make him fit for the match. There is little speculation on the event, the "Kid" being fairly unknown here, and Weday being well known. It is felt that if the "Kid" is in anything like old time form he will be able to give away weight and still win.

Bennett will not go against Harris in the principal preliminary. This is caused by his temporary retirement, and has resulted in the placing of a new comer, Sailor Brown, against the ambitious Negro. Brown is the man who a few years ago was known as one of the best shortstops perhaps, the class being just off real topnotchers, but containing some good men. He was always a glutton for punishment, and has won some of his contests by simply taking what was sent, and permitting his opponent to wear himself out with work, then going on and winning as he pleased. He is a heavier man than Harris, but will have some fun in the bout if nothing else. There will be six rounds.

As for the other preliminary it is hoped to find a contestant for "Spider" Jackson, but so far no one has come out with a proposition. The management is seeking a chance to offer the best program possible, but the boxers are scarce.

No Baseball Game.

There will be no baseball game at

IT IS DIFFERENT NOW.

Once upon a time students of medicine held the notion that there were as many different diseases as the body has organs and parts; every one of these ailments requiring a different treatment. So stupid a mistake could lead only to miserable failures. For the fact is, the body is a single machine; and what concerns one part of it concerns, more or less closely, all the rest. Thus we see how it happens that one remedy, or mode of treatment, may relieve and cure a variety of complaints, or what may appear like a variety, but are really various forms or outcomings of the same cause. Take, for example, Anemia, Scrofula, Poverty of Blood, General Debility, Influenza, Throat and Lung Diseases, etc.—a formidable array indeed they look to be; yet WAMPOLE'S PREPARATION quickly abates the worst of such cases, and absolutely cures many which have been abandoned as hopeless. The reasons are: its power over the digestive and assimilating process, its action in expelling impurities from the blood, and its consequent ability to vitalize and rebuild the whole structure. It is palatable as honey and contains the nutritive and curative properties of Pure Cod Liver Oil, combined with the Compound Syrup of Hypophosphites and the Extracts of Malt and Wild Cherry. It was not dreamed out, or discovered by accident; it was studied out, on the solid principles of applied medical science. It is precisely what it is said to be, and has won the confidence of the public on that basis. Dr. Thos. Hunt Stucky says: "The continued use of it in my practice, convinces me that it is the most palatable, least nauseating, and best preparation now on the market." Every dose effective. "You cannot be disappointed in it." Sold by all chemists the world over.

COACH BROOKS OF THE HONOLULU.

HENRY COCKETT, H. A. C. GUARD.

FOOTBALL ELEVENS ARE READY FOR FIRST MATCH

Punahou and Mailes Will Open the Season With Their Match Next Saturday at Punahou Grounds.

When the football season opens next Saturday there will line up for the inaugural play two teams which may at this distance be classed as the fastest that have been seen here in recent years. The opening game of the season will be between the Mailes and the Punahou, and as each is in form there should result excellent play.

The season has reached the stage now that finishing alone remains. On both of the elevens there is some question as to the absolute selection for a particular place. The behind-the-line men of the Punahou may be chosen from among a half dozen, and the left guard of the Mailes will win his position only from two other contestants. The general makeup of the teams will be as follows, the men being lined as they will face each other:

Punahou.	Position.	Mailes.
Armstrong, Berger, Mannis	R. End L.	
R. Tackle L.		
Walker Jarrett	R. Guard L.	
Fuller Robertson, Ewaliko, Richardson	Center.	
Robinson Chilton	L. Guard R.	
F. Laukea Sumner Ellis	L. Tackle R.	
Waterhouse Wright, Becket	L. End R.	
Anderson Vida	Quarter.	
Rabbit, Williamson, Clark	Half Back L.	
Forbes	R. Half Back R.	
Morse James	L. Half Back R.	
J. Macallino, Will, F. Wright, Jamson, Rycroft	Fullback.	
Hatch Johnson		

In addition to the men named who will furnish the preliminary teams there will be a long list of substitutes which will be in uniform on the field so that there will be no lack of men to make up places on line or behind it at any time. The Mailes will have the majority of the men to fill up with, owing to the fact that they have been successful this year in arousing the best of club feeling and the men have no thought but

the turning out of the highest class of performers and the filling in of the best second team places, if there are better men for the club eleven.

The decision has been reached that the halves shall be twenty minutes duration each, and the outlook is for sharp play during that time. It has been arranged as well that there shall be a selection of umpire from the team not playing, the coach being put in for this service. The referee for the season will be Charles Elston, who has been seen in the capacity before during the past few years.

The Punahou have shown much better form during the past week, though the College eleven has twice scored against the club men. There is the same lack of a practice squad from which there may be chosen a scrub to meet that of the regulars. Waterhouse has done the best he can by swinging the team about but this is hardly satisfactory. The men are full of confidence which goes a long way in a game of football, but they have shown a lack of speed in starting and may have some difficulty in meeting such a fast team as the Mailes. The Punahou will average something like 174 pounds to the man, taking their heaviest team, and they have some men who are full of speed.

The Mailes will have the lightest team in the field. There will be an average weight of 161 pounds for their heaviest team, and with one exception perhaps each man will be outweighed by his opponent. But the men make up in speed what they may lack in weight. They are fast as deers, and once they get the ball will run it, according to the present outlook, all over the ground. They have an excellent interference and seem able to handle any thing. It is a common prediction that the Mailes will score from the Punahou perhaps within five minutes. But if they do so they stand a good chance of never scoring again in the game. The Punahou are veterans, and as is always the rule start slow until they have been rubbed wrong. This will be the result if there is a touch made against them. Fred Wright, the playing captain of the Ma-

HONOLULU ATHLETICS LINE UP.

POLO MEN POLISHING

Play's Fine Points Are Now Being Worked.

Polo men are now burnishing up their play and the work of the first team, with the aid of the members of the club who hold their interest in the game, is daily improving in its snap and force. There are practice games twice a week now and the way the men show up is indicative of the very best performances on the occasion of the meets.

The teams will play this afternoon at 2 o'clock at Kapiolani park. The Blues will line up: Judd, Potter, Dillingham and Dole. Their opponents will be Harold Castle, Shingle, Fleming and R. W. Atkinson. George Brown will substitute for the Blues and Dr. M'Adory for the Whites. There may be other changes however, as there will be an attempt made to keep a place for any member of the team who may come out for a chance to put in a period of play.

The men are being coached by S. E. Damon whose unfortunate withdrawal from the game has caused much regret from his associates who recognize his devotion to the sport. He attends the practice in a high cart, and from that point of vantage, armed with a megaphone, he talks to the players, and it must be said according to their testimony, when things are dragging there is some Spanish used.

The men are doing right well. There may be some friction expected for a few days, while the working into form is going on, but this will wear away, and the team promises to be fast and hard. The men are constantly being worked against the strongest, for instance Judd being put against Dole and Dillingham against Potter for a period, and the result has been to bring out the very best results.

The field is being rolled again so that it may be in the finest shape possible for the game. The horses of Prince Kuhio are now being used, one by Dole and the other by Shingle. They will be in the championship games, ridden by some of the players.

IT'S ALL TALK.

Yes, But it is Honolulu Talk the Kind that Counts in Honolulu.

Talk that tells. Talk that's earned. Every day talk by people who know. City talk, kidney talk. Do kidney talk? Well, yes, both loud and long. You should learn the kidney language.

Backache in kidney talk means kidney ache. Lame back means lame kidneys. A bad back is simply the kidneys talking trouble.

Here's Honolulu talk and kidney talk: Mrs. Grace Dodd of 524 Young street, this city, informs us: "My sufferings were of a complicated nature; I had enlargement of the liver, according to the doctors' diagnosis, and besides this was troubled with severe pains in the right side, and a lame back. I had these backache pains for two years, and so severe were they at times that they prevented me from sleeping. All the medicines I tried were of no avail until I got some of Doan's Backache Kidney Pills at the Hollister Drug Co.'s store, and used them. The benefit obtained was wonderful; the backache was entirely relieved and I cannot be too grateful for this since I now enjoy good sleep—one of the chief of Nature's blessings."

It is important to get the same medicine which helped Mrs. Dodd—DOAN'S BACKACHE KIDNEY PILLS. Therefore ask for Doan's Backache Kidney Pills. Doan's Backache Kidney Pills are sold by all chemists and storekeepers at 50 cents per box, six boxes \$2.50, or will be mailed on receipt of price by the Hollister Drug Co., Honolulu, wholesale agents for the Hawaiian Islands.

Golfer Vardon Defeats Braid.

NEW YORK, Oct. 24.—Harry Vardon of Scarborough and James Braid of Romford, both former golf champions, have met in what probably was their last match of the season at Hayling links, says a London dispatch to the Herald. Vardon secured the match by four-up and three to play.

Great mountains on Venus are a supposed discovery of Herr Arndt of Posen. These elevations appear to project through the clouds from time to time, and the observations thus far made tend to prove a rapid rotation in about twenty-four hours.

HORSES GETTING INTO FINE FORM

Some light work is being done with the two black pacers who are matched to go against each other on Thanksgiving day, and the horsemen are divided in their opinion of the outcome of the race. Sambo is not out of shape, and in fact has not been so since June, for he was sent to Hilo in July and to Maui in August, and has been jogged a plenty since to make him hard as nails.

Cyclone has been practically off work since he was eased down in June, after he burst a blood vessel. He has been driven a little but never fast until the past week. He has not in some heats around 40 without any hitches, and this is taken to mean that he is being worked now for form and the speed will be put into him next week. The betting is even money, many horsemen permitting their prejudice against the successful white and green to influence their betting.

Pacer Dan Patch Falls.

MEMPHIS, Tenn., Oct. 24.—Dan Patch failed in his attempt to lower the world's mark of 1:59 1/4 this afternoon at the trotting park. The champion got away after scoring once, accompanied by a runner, and stepped the first quarter in :29 1/4. Up the backstretch he moved like a machine and the half was passed in :59 1/4. The next quarter was watched with anxious interest. The time, 1:30, was disappointing. Turning into the stretch McHenry urged the pacer on, but Dan Patch tired perceptibly and the wire was reached in 2:01 flat.

Indoor Baseball Tonight.

The regular indoor league baseball games will be played at the Y. M. C. A. rooms this evening at 7:30 o'clock between the Diamond Heads and the Intermediates. The lineup will be: Diamond Heads—McCorriston, c.; Pierson, p.; J. Clark, 1b.; Macallino, 2b.; Blackman, 3b.; B. Clark, ss.; G. Desha, rf.; E. Desha, lf. Intermediates—A. M. Keoho, c.; W. Kerr, p.; Madeira, 1b.; Freitas, 2b.; Young, 3b.; Evans, ss.; Simpson, rf.; Hopper, lf.

Chamberlain's Cough Remedy is intended especially for coughs, colds, croup, whooping cough and influenza. It has become famous for its cures of these diseases over a large part of the civilized world. The most flattering testimonials have been received, giving accounts of its good works; of the aggravating and persistent coughs it has cured; of severe colds that have yielded promptly to its soothing effects, and of cured, often saving the life of the child. The extensive use of it for whooping cough has shown that it robs that disease of all dangerous results. It is especially prized by mothers because it contains nothing injurious and there is not the least danger in giving it, even to babies. It always cures and cures quickly. Benson, Smith & Co., wholesale agents, sell it.

Makiki today. The Brunswicks have disbanded and the game will thus be claimed by the Young Portuguese who will come out in uniform and show up for the claim of a forfeit. This leaves a chance for a tie between the Portuguese and the Makikis. The game today will make the score of games for the Portuguese, four won and one lost. The Makikis will have three won and two lost. The game between the two a week from today will mean that if the Makikis win there must be a playoff of the tie. The Portuguese will be the victors of the season if they win it.

PUNAHOU WIN BOWLING MATCH

The Punahou have annexed a scalp in the bowling tournament, taking in the Honolulu team with a fair margin. Captain Webster has made a really good showing in the games, and will be for some time top bowler of his club on the form which has been shown on the alleys so far. The scores for the three games were as follows:

Punahou Athletic Club Bowling Team—	
W. H. Babbitt, 114, 142, 127, total 383.	
C. L. Sprinks, 105, 140, 112, total 357.	
Wm. Williamson, 109, 92, 146, total 347.	
H. C. Carter, 135, 148, 104, total 387.	
A. M. Webster (Capt.), 176, 146, 132, total, 454.	
Team total, first game, 639; second game, 668; third game, 621; grand total, 1,928.	
Honolulu Bowling Team—	
Frank Halstead, 115, 121, 173, total 409.	
E. H. Leonard, 121, 96, 111, total 328.	
J. M. Riggs, 105, 126, 118, total 349.	
T. L. DeCew (Capt.), 133, 166, 99, total 398.	
E. J. Lord, 130, 131, 98, total 359.	
Team total, first game, 604; second game, 640; third game, 599; grand total, 1,843.	

CUNHA-ELSTON PAIR VICTORIOUS

Cunha and Elston won the tennis doubles championship during the week with fine scores and in impressive style. There was only one set where they were pushed at all by the old holders of the title, Dillingham and Roth, and that the second. The scores were 6-2, 7-5, 6-3.

The game showed the new champions in form which they have not before indicated. They played without the dash of their previous contests, but instead they had a great showing of carefulness and precision. They had little trouble in placing, but they would take no chances and often Elston failed to kill balls which were much more easy than some which he got after in a moment in the preliminary play. Cunha was fast and everywhere at once.

The close of the season finds Elston with his old singles championship and a joint interest in the doubles as well.

High School Defeated.

The St. Louis football team defeated the High School team yesterday at Punahou in a hotly contested game, the score being 6 to 5. The star play of the game was made by En Sue, who made a 55-yard run for a touch down. The St. Louis team did not play in the form expected, but played game. Two more games will be played by the teams.

Haughey and Jackson Fight a Draw. BALTIMORE, Md., Oct. 24.—The twenty-round bout tonight between Charley Haughey of Philadelphia and Young Peter Jackson, the colored welter-weight, resulted in a draw.
